

February 14, 2011

Chairman Don Burgess
Sumter County Board of County Commissioners
7375 Powell Road
Wildwood, FL 34785

Dear Chairman Burgess,

On behalf of the Supervisors of the Village Community Development District No. 3, I would like to respectfully request that a traffic study be conducted at the intersection of Buena Vista Blvd. and Tally Ridge Drive in Sumter County, FL.

The request for a traffic study to be conducted at this intersection was originally before the Sumter County Board of County Commissioners and approved on July 20, 2004. However, on July 27, 2004 the request was again addressed by the Commission and the determination was made to delay the study until November of 2004. To date the traffic study of this intersection has not been completed.

Although the Village Community Development District No. 3 Board has no traffic enforcement capabilities, safety concerns from residents that live and travel this area continue to be brought to our attention.

I look forward to hearing from you with regard to this request.

Sincerely,

Charles F. Cook
Chairman, CDD 3

C: Bradley Arnold, Sumter County Administrator
